TO APPLY
All prospective applicants apply to U of T through the Sonia Zeehan Centre (S4AC). For details about application procedures and deadlines visit

uoft.me/applyhelp

We encourage you to apply well in advance of the published deadlines. Some faculty and programs may close before the published deadlines.

**Full-Time Degree Applicants**
For some courses begin in September only.

**Ontario Secondary School Applicants**

If you are a current full-time Ontario secondary school student, your school will issue a TRC giving you access to the S4AC 2018 online application, and will send you the mark on the ONTARIO

**Non-Degree Applicants**

Non-degree study begins in September or May. If you wish to enroll in degree credit courses but not transfer to a degree, apply online using the TRC. If you are previously registered in a degree program or are currently enrolled in a degree program, apply using the “Internal” application. We encourage you to apply by November 1, 2018.

**Post-Time Degree Applicants**

Part-time study degrees begin in September (full-time) or January (part-time). Please check the department’s Web site for specific information.

**University of Toronto Mississauga**

A minimum degree average of 75 in the Ontario Secondary School Credit Diploma is required. Non-degree students may enroll in Commerce or Management courses.

**University of Toronto Scarborough**

A minimum degree average of 75 in the Ontario Secondary School Credit Diploma is required for admission to Management and Economics courses. If you are interested in non-degree studies in a business-related discipline (Business Administration, Accounting, and Economics), Economics, Finance, and Economics, and Business, contact the division directly.

**Ontario Colleges of Applied Arts and Technology (OCAAT) (ensf)**

University of Toronto Transfer Applicants

Applicants must present an admission requirement for the program. Early admission requirements are determined in consultation with the program. We encourage you to apply by October 1, 2018.

**Admission Requirements**

Applicants must present an admission requirement for the program. Applicants must have a minimum of 80% in the Ontario Secondary School Credit Diploma and an Ontario Secondary School Credit Diploma in the following courses: English, Mathematics, and Chemistry. Applicants must present at least 80% in the Ontario Secondary School Credit Diploma in the following courses: English, Mathematics, and Chemistry.

HOW TO APPLY

All prospective applicants apply to U of T through the Ontario Universities’ Application Centre (OUAC). For details about application procedures and deadlines visit future.utoronto.ca/apply/applying.

We encourage you to apply well in advance of the published deadlines. Spaces fill quickly and programs may close before the application deadlines.

Full-Time Degree Applicants

Full-time studies begin in September only.

Ontario Secondary School Applicants

If you are a current full-time Ontario secondary school student, your school will issue a PIN giving you access to the OUAC “101” online application, and will send us your marks via the OUAC.

All Other Applicants

Apply online using the “105” application. If you were previously registered or are currently registered at U of T, apply online using the “Internal” application. Visit future.utoronto.ca/apply/applying for details.

We strongly encourage you to apply by November 1, 2018.

Part-Time Degree Applicants

Part-time degree studies begin in September (Fall/Winter session) or May (Summer session) only. Apply online using the Part-Time Degree application at future.utoronto.ca/apply/applying.

For a complete list of programs that are offered on a part-time basis, refer to the online application. Part-time students can take courses during the day and evening (when available). Students who are only able to attend classes in the evening should consult the appropriate online timetable at www.utoronto.ca.

Non-Degree Applicants

Non-degree studies begin in September or May only. If you wish to enrol in degree credit courses but not towards a degree, apply online using the Non-Degree application at future.utoronto.ca/apply/applying. Please note that it may not be possible to register in courses that are in high demand.

Faculty of Arts and Science, U of T St. George: 
Non-degree students may not enrol in Rotman Commerce courses.

University of Toronto Mississauga: 
An undergraduate degree from a recognized institution is required. Non-degree students may not enrol in Commerce or Management courses.

University of Toronto Scarborough: 
Non-degree students may not be considered for admission to upper year Management and Economics courses.

If you are interested in non-degree studies in a professional division (Architecture, Landscape, and Design; Engineering; Kinesiology and Physical Education; Music), contact the division directly.
### APPLICATION DEADLINES

Early submission of both an application and supporting documents is strongly encouraged. For all secondary school applicants: The first round of decisions will be sent in late January. Applications that become complete after December will be reviewed for decisions in March, and a final round of decisions—spaces permitting—will be made in May. Applicants with postsecondary studies will be considered on an ongoing basis starting in January.

### DOCUMENT DEADLINES

Document deadlines vary by division. For a complete list of document deadlines visit future.utoronto.ca. We encourage you to submit all required documents well in advance of the posted deadlines. Spaces in programs are filled on an ongoing basis and programs may close before the published document deadlines.

Once we receive your application, we will send you an email acknowledgement, including full information about the next steps in the application process.

### ADMISSION REQUIREMENTS

Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. The minimum requirements for admission consideration vary by program. You must present all the requirements, including prerequisite courses, to be considered. All of our programs have limited spaces and the admission selection process is competitive. Some programs require a supplementary application, check faculty and program admission information for details. See also: English Language Requirements. For details regarding the admission requirements for each program, visit future.utoronto.ca and refer to the information that matches your academic background.

**Canadian Secondary School Qualifications and Course Equivalents chart**

For detailed information about minimum admission requirements for Canadian secondary school applicants. Secondary School and Diploma must be recognized by the Provincial Ministry of Education. Applicants must present all the requirements, including prerequisite courses (see program charts) and supplementary or profile information (if required). All programs have limited space and the admission selection process is competitive. Transfer credit towards arts, science and commerce/management programs is considered for some academic AP and IB subjects. More information is available at future.utoronto.ca/transfercredit.

**International Baccalaureate**

The diploma including English HL or SL is required. Applicants should present Mathematics HL or SL for programs requiring Calculus (Math Studies is not acceptable). Applicants must present all the requirements, including prerequisite courses (see program charts) and supplementary or profile information (if required). All programs have limited space and the admission selection process is competitive. Transfer credit towards arts, science, and commerce/management programs is considered for some IB Higher Level Subjects with a grade of at least 5. More information is available at future.utoronto.ca/transfercredit.

**Ontario Colleges of Applied Arts and Technology (CAAT) / Institutes of Technology and Advanced Learning**

Excellent overall grade point average in an academic program is required for admission consideration. All program prerequisites must be met at the Grade 12 U/M level and all supplementary or profile information (if required) must be presented. Two full CAAT semesters of an academic subject may be considered as equivalent to a Grade 12 U/M level prerequisite.

Applicants who have completed a two-year academic diploma may receive up to three full credits towards an arts, science, commerce/management program. Applicants holding a three-year academic diploma or a four-year degree may receive up to five credits towards a degree. The admission selection process is competitive.

We also have specific transfer articulation agreements with some Ontario colleges:

- Faculty of Arts & Science
- uofr.me/diplomatodegree
- U of T Mississauga
- utm.utoronto.ca/pathways
- U of T Scarborough
- utsc.utoronto.ca/pathways
Applicants who already hold a bachelor's degree, admission is made. Interviews may be required. Details will be provided after an offer of assessment application has been completed.

Transfer credits will be assessed after admission, and once the Transfer Credit Assessment application has been completed. Details will be provided after an offer of admission is made. Interviews may be required.

Applicants who have completed studies beyond the minimum requirements at a recognized postsecondary institution will be considered for a maximum of two years of transfer credits.

Applicants who already hold a bachelor's degree, or have completed more than two years of degree studies at another recognized postsecondary institution can only apply to a different field of study. For instance students who have completed a degree in, or have majored in economics, management, commerce or business, cannot complete a Bachelor of Commerce or Bachelor of Business Administration degree. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credit (five full credit courses).

Undergraduate degree holders who wish to take additional undergraduate courses in their field, perhaps in order to qualify for graduate level studies, may consider applying for Non-degree programs. These programs, if completed successfully, will allow students to meet the appropriate campus/faculty directly as listed below. Such students must present a valid Letter of Permission from their own university to be considered.

**TRANSITIONAL YEAR PROGRAM**

Transitional Year Program (TYP) provides an opportunity for Canadian citizens/permanent residents/protected persons (convention refugees) who could not finish high school because of financial problems, family difficulties or other circumstances beyond their control. For more information contact:

- **Temporary Year Program** 416.978.6832
typ.info@utoronto.ca
sites.utoronto.ca/typ

**VISITING STUDENTS**

Students who wish to take courses at the University of Toronto for credit towards a degree from another university should contact the appropriate campus/faculty directly as listed below. Such students must present a valid Letter of Permission from their own university to be considered.

**ENGLISH LANGUAGE REQUIREMENTS**

Proof of adequate English facility is required from all applicants except for those:
- whose first language (i.e. the language learned at home as a child) is English, or
- who have achieved satisfactory academic progress in at least four years of full-time study in an English language school system located in a country where the dominant language is English, or
- whose first language is French and who have achieved satisfactory academic progress in at least four years of full-time study in Canada.

For full details on our English language proficiency requirements, please visit uoft.me/elr.

**COMMON TESTS / QUALIFICATIONS**

- **Test of English as a Foreign Language (TOEFL)** Internet-based test: total score of 100 + 22 on writing section. Scores in a discretionary range of between 89-99+22 will be reviewed on a case-by-case basis.
- **International English Language Testing System (IELTS) Academic:** Minimum overall band of 6.5 with no band lower than 6.0.
- **Michigan English Language Assessment Battery (MELAB):** Minimum overall score of 85, with no part score below 80. Scores in a discretionary range of at least 80 total, with 85 in composition and no part less than 80 will be considered on a case-by-case basis.
- **International Baccalaureate English:** Higher Level or Standard Level English A Literature or English A Language and Literature with a minimum score of 4 (predicted or final). English B Higher Level is not acceptable.
- **GCSE/GCSE/GCE O Level English:** English or English Language or English as a Second Language with minimum grade of ‘B’
- **GCSE A/AS/AICE Level English:** English or English Language with minimum grade of ‘C’
- **Academic English Course, School of Continuing Studies, University of Toronto:** Academic English Level 60 with grade of ‘B’.

Detailed information at uoft.me/academic-english.

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. These programs, if completed successfully, will allow students to meet the English language facility requirement. They are offered on each campus and range in length from six weeks to eight months. These programs include:

- **International Foundation Program** uoft.me/intfip
- **Academic Culture and English Program (ACE@UTM)** uoft.me/utmcace
- **Academic English (AE@UTSC)** uoft.me/utscace

**BRIDGING PROGRAMS**

The Academic Bridging Program, Woodsworth College, St. George campus and U of T Mississauga Bridging Pathway provide an opportunity for Canadian citizens/permanent residents/protected persons (convention refugees) who do not hold the published admission requirements to qualify for degree studies. For more information, contact:

- **Millie Rotman Shime Academic Bridging Program** 416.978.4444

SCHOLARSHIPS & FINANCIAL AID

The University has comprehensive scholarship and financial aid programs that provide financial support and recognition for outstanding academic achievement at different levels of study. The University, its colleges, and faculties, award over 4,400 admission scholarships and nearly 5,000 in-course scholarships each year. The University's Policy on Student Financial Support states that no student admitted to a program at the University of Toronto will be unable to enrol or complete the program because they do not have sufficient funds. This commitment to students who are Canadian citizens, permanent residents or protected persons means that the University will supplement the funding provided by government sources. This financial assurance is called UTAPS (University of Toronto Advanced Planning for Students). More details can be found at uoft.me/faa.

U of T Scholars Program

The University of Toronto Scholar Program provides recognition to the University's outstanding students. In 2018 we offered more than 700 admission awards to incoming first-year students, each valued at $7,500. All applicants are considered automatically for these scholarships based on their academic performance.

President’s Scholars of Excellence

Approximately 75 of the most highly qualified students applying to first year of direct entry, undergraduate studies will be distinguished as President’s Scholars of Excellence.

This distinction includes a $10,000 entrance scholarship in first year; guaranteed access to part-time, meaningful, on-campus employment during second year; and guaranteed access to an international learning opportunity during a student’s university studies. Outstanding students are considered automatically for these scholarships.

National Scholarship Program

The National Scholarship rewards committed Canadian secondary school students who demonstrate superior academic performance, original and creative thought, and exceptional achievement in a broad context. They excel in academic pursuits, demonstrate enthusiasm for intellectual exploration and have a strong involvement in the lives of their schools and communities. Each year approximately ten students are named National Scholars (winners) and ten are named Arbor Scholars (runners-up). This scholarship requires a separate application, due in early November. Find out more and apply here: uoft.me/national-scholarship.

Lester B. Pearson International Scholarship

While the National Scholarship Program is for Canadian students, international students studying in Canada can be nominated for the Lester B. Pearson International Scholarship. Learn more at pearson.utoronto.ca.

Other Awards

Awards which recognize factors such as financial need, outstanding leadership, community involvement or excellence in the Humanities are also available. The application for these special awards is available through the Awards Profile after you have applied.

Applicants who have previously attended a postsecondary institution are not eligible for awards consideration on admission.

U of T’s colleges, faculties and divisions also offer scholarships, some of which require a separate application.

For further information on these and other admission awards, their application process or financial aid, refer to future.utoronto.ca/finances.

TUITION FEES 2018-19

The cost of attending university varies depending on your program of study and place of residence during the academic year (September through April).
