UNIVERSITY OF TORONTO MISSISSAUGA
SELF-GUIDED CAMPUS TOUR
**WILLIAM G. DAVIS BUILDING (DV)**

- Home to several student services such as Career Centre, Campus Police, International Education Centre, and more!
- Location for main food hall which serves a wide array of cuisines and food chains (Pizza Pizza, Subway, and Booster Juice).

**RECREATION, ATHLETICS & WELLNESS CENTRE (RAWC)**

- The Recreation, Athletics & Wellness Centre (RAWC) features an indoor track, eight-lane swimming pool, Olympic weight training facility, and multi-purpose rooms for group fitness classes.

**KANEFF CENTRE / INNOVATION COMPLEX (KN)**

- Home to the Office of the Registrar, Institute for Management and Innovation (IMi), Blackwood Gallery, Finance Learning Centre, and ICUBE.
- There are several instructional spaces in Kaneff, including the newly renovated Matthews Hall that can seat up to 350 students.

- The rotunda (pictured above) serves as a lounge and study space for students. The space may be remodelled for special events.
- There are spacious case study rooms in the lower level and an underground tunnel that connects to the William G. Davis Building (DV).
OSCAR PETERSON HALL (OPH)

- Residence Services Desk, located in OPH, is the main source of housing resources and information.
- UTM has three residence styles: dormitories, apartments, and townhouses. Oscar Peterson Hall is a dorm-style residence. All units have internet access.
- Colman Commons, the residence dining hall, serves a rotating menu of freshly prepared meals like stir-fry, pasta, burgers, and cultural delicacies!

STUDENT CENTRE (XR)

- A space dedicated for students; main hub for clubs and academic societies and access to services offered by the University of Toronto Mississauga Students' Union (UTMSU)
- Blind Duck Pub/Chatime: Open late nights, the Blind Duck serves pub-style food and provides a space for special events.
- Additionally, there is an annex with a multi-faith prayer space and convenience store.

DID YOU KNOW?

There are over 100 clubs and academic societies at UTM! Love dancing? We have three different clubs from contemporary to cultural to hip-hop! Looking for gaming buddies? We have a club for all video game enthusiasts!
DEERFIELD HALL (DH)

- Deerfield Hall features four storeys with new theatre rehearsal rooms, computer labs (Mac and Linux), classrooms (ranging from 30 to 100 in seating capacity), study spaces, and research facilities.
- This is also the location of the UTM shuttle bus to Sheridan College (Oakville Campus).
- Want to grab a bite? Deerfield has the North Side Bistro, complete with a wood-fired oven and roasted coffee on site.
- Deerfield Hall uses energy-efficient lighting and a green roof — some of the green innovations that earned its silver LEED certification.

INSTRUCTIONAL CENTRE (IB)

- The Instructional Centre has varying sizes of classrooms and lecture halls ranging from 30 to 500 in seating capacity.
- The second floor has a wide study hall equipped with Mac and PC computers, individual study carrels, group desks, and study rooms.
- Location for the shuttle bus stop to the St. George campus — fare-free service for current UTM students!
- Heating/cooling system is powered by geothermal energy and geared with solar panels.
HAZEL MCCALLION ACADEMIC LEARNING CENTRE (HM)

- One of the 44 University of Toronto libraries — the third-largest library system in North America!
- The librarians and reference specialists at the Research and Reference Desk can assist students in maximizing resources.
- The Robert Gillespie Academic Skills Centre offers one-on-one assignment help, workshops, and facilitated study groups!

COMMUNICATION, CULTURE, & TECHNOLOGY BUILDING (CC)

- CCT is home to one of our 500-seat lecture halls. Other instructional spaces follow a conference room style to encourage student engagement.
- The open space atrium serves as a popular venue for special events on campus.
- The IT Service Desk provides tech support to students and staff.
ADMISSIONS TIMELINE

For specific dates and deadlines, please visit www.utm.utoronto.ca/future

SEP
The 105D and 105F online applications will be available on the Ontario Universities’ Application Centre website.

MID-SEPTEMBER

OCT
EARLY NOVEMBER
Recommended application deadline for international students.

EARLY OCTOBER
The 101 online application will be available on the Ontario Universities’ Application Centre website. Check with your high school guidance counsellor for details and assistance.

NOV
MID JANUARY
Application deadline for 101 applicants on OUAC, unless extended.

EARLY JANUARY
Application deadline for 105 applicants on OUAC, unless extended.

The first round of admission offers are made to a very small percentage of OUAC 101 applicants

FEB
EARLY FEBRUARY
Deadline to submit an application for U of T scholarships and awards.

The second round of admission offers are made to OUAC 101 applicants.

EARLY FEBRUARY
Deadline to qualify for the residence guarantee. Complete the MyRes application form soon because after this date, residence may not be guaranteed.

MAR
LATE MARCH

The final round of admission offers are made to OUAC 101 applicants. After this round, we continue to make offers to qualified students on a rolling basis.

MAY
JUNE 1st
For 101 applicants, the last date by which you must select a university offer to accept on OUAC.

OUAC 105 applications are reviewed on an ongoing basis once Admissions receives all required documents. Decisions are typically processed within 6 to 8 weeks.
